ICT Conference 2022 goes Green again

As announced we want to carry out the ICT Conference 2020 according to the Guideline of the Austrian Ecolabel for Green Meetings and Green Events. In this context we try to save resources, avoid waste, and act in an environmentally conscious way in all fields. Please read and fill out the below green agreement:

Green Agreement as sponsor & exhibitor with own booth at the event

The company
commits itself to meet the following requirements of the event:

- **Waste** accruing at the booth has to be disposed of according to the requirements of the waste management scheme. Types of waste presumably generated:

- We **host booth visitors**:

Beverages: yes no

If yes: We use for that purpose only bulk packs of reusable packs (no cans, PET bottles, tetra packs, etc.) Description:

Food: yes no

If yes: We don't use any disposable products for this purpose (cups, tumblers, plates and cutlery)

- At our booth **product tastings** are offered:
We use reusable dishes for this purpose: Description:

The use of reusable dishes is not possible for the following reason:

Therefore we use small tasting units made of cardboard or organically degradable plastics. Description:
